WorkReady

Move In Ready. From Day One.

WorkReady from BOXX Modular delivers fully equipped spaces that are ready to use from day one. Work with our knowledgeable sales team to create a space tailored to your needs - ready the moment you walk through the door, with no setup delays, coordination complexity, or last-minute add-ons.

Packages are structured into **Core** and **Plus** options, making it easy to choose the right level of finish, functionality, and support for your needs, timeline, and budget. Start with a clear foundation, then customize with à la carte options as needed.

With WorkReady, get to work faster.
Ready from day one starts here.

Why WorkReady?

WorkReady furniture and add-on packages save time, reduce costs, and simplify setup. Everything arrives fully coordinated and ready to use, saving you the time it takes to source, order, manage deliveries, or deal with storage and resale later.

With no upfront capital investment, no leftover inventory, and no delays getting operational, WorkReady gives you a turnkey solution so you can focus on the work, not the logistics.

WorkReady

Office

WorkReady office furniture packages make it easy to outfit a professional workspace without the usual sourcing and setup.

Each tier arrives equipped with the essentials your team needs to get up and running immediately—choose Core or Plus based on the level of finish, functionality, and support you want, with à la carte options available for added flexibility.
