14’ x 70’ Walk In & Drive Up - 2 Office

Features:

- Drive up teller window with deal drawer
- Under-counter teller pedestals
- Night drop with receiving safe

Built for Financial Services
Purpose-built features like teller lines, drive-up windows, night depositories, and secure equipment areas support day-to-day banking operations.

Professional & Comfortable
High-quality finishes and climate-controlled interiors create a comfortable, professional environment for employees and customers.

Flexible Floor Plans
Choose from drive-up, walk-in, and retail configurations with offices, lobbies, teller areas, restrooms, and more.

Relocate as Needs Change
Get the look of a permanent financial facility with the ability to relocate your building to another site as your needs evolve.
